Letter dated 15 March 2002 from the Permanent Representative of Poland to the United Nations addressed to the President of the Security Council

On instructions from my Government, following the terrorist attacks perpetrated in the United States of America on 11 September 2001, I have the honour to inform you that, in accordance with the inherent right of individual or collective self-defence (Article 51 of the Charter of the United Nations), referred to in Security Council resolution 1368 (2001), and in response to Council resolution 1373 (2001), the Republic of Poland has undertaken action involving the participation of its military forces within the international efforts to combat the terrorist network responsible for the attacks against targets in the United States.

I should be grateful if you would have the text of the present letter circulated as a document of the Security Council.

(Signed) Janusz Stańczyk
